RE: REVISED ALMANAC FOR 2018/ 2019

As you are aware, the 2018/2019 academic year commenced on 29.10.2018 with the orientation week. Due to logistical reasons the orientation week was extended by one week up-to Friday, 09th November 2018 instead of 05.12.2018 for both freshers and on-going students. For this reason the academic year officially commenced on Monday, 12th November 2018. This change affected both the first years and the ongoing students. In order to accommodate this change, the University is forced to cut short the semester break in March 2019 from two weeks to one week. For that case the odd semesters for the academic year 2018/2019 which commenced on Monday, 12th November 2018, would now end on Friday, 15th March 2019 instead. Below is the proposed academic almanac for the academic year 2018/2019.
